Calculation Formula

KRA Score Calculation

For each dimension: (Rating / 5) × Weightage%

KRA Total = Sum of all dimension scores

KRA Score = (Total / 100) × 5 × 50.00%

Competency Score Calculation

Total = Sum of all competency ratings

Normalized = Total / (Count × 5)

Competency Score = Normalized × 5 × 50.00%

Overall Performance Rating

Overall = KRA Score + Competency Score
